

## HOUSING PREVENTS AIDS. HOUSING SAVES LIVES. HOUSING WORKS.

With an annual operating budget of approximately \$40 million and more than 400 employees, Housing Works is the largest community-based AIDS service organization in the United States, as well as the nation's largest minority-controlled AIDS service organization.

Since our founding in 1990, we have provided lifesaving services, such as housing, medical care, meals, job training, drug treatment, HIV prevention education, and social support to more than 20,000 homeless and low-income New Yorkers living with HIV and AIDS.

Housing Works also runs social enterprise businesses that raise millions of dollars to help pay for the services that we provide, spread awareness of our mission, and provide jobs to graduates of our Job Training Program. Our businesses include Housing Works Thrift Shops, a chain of upscale thrift shops located throughout New York City; the Housing Works Bookstore Café, a used bookstore, literary hub and event space in downtown Manhattan; and the Works Catering, a catering and event company.

### Since 1990, Housing Works has:
